

# F50

## Honeywell F50 Electronic Air Cleaner

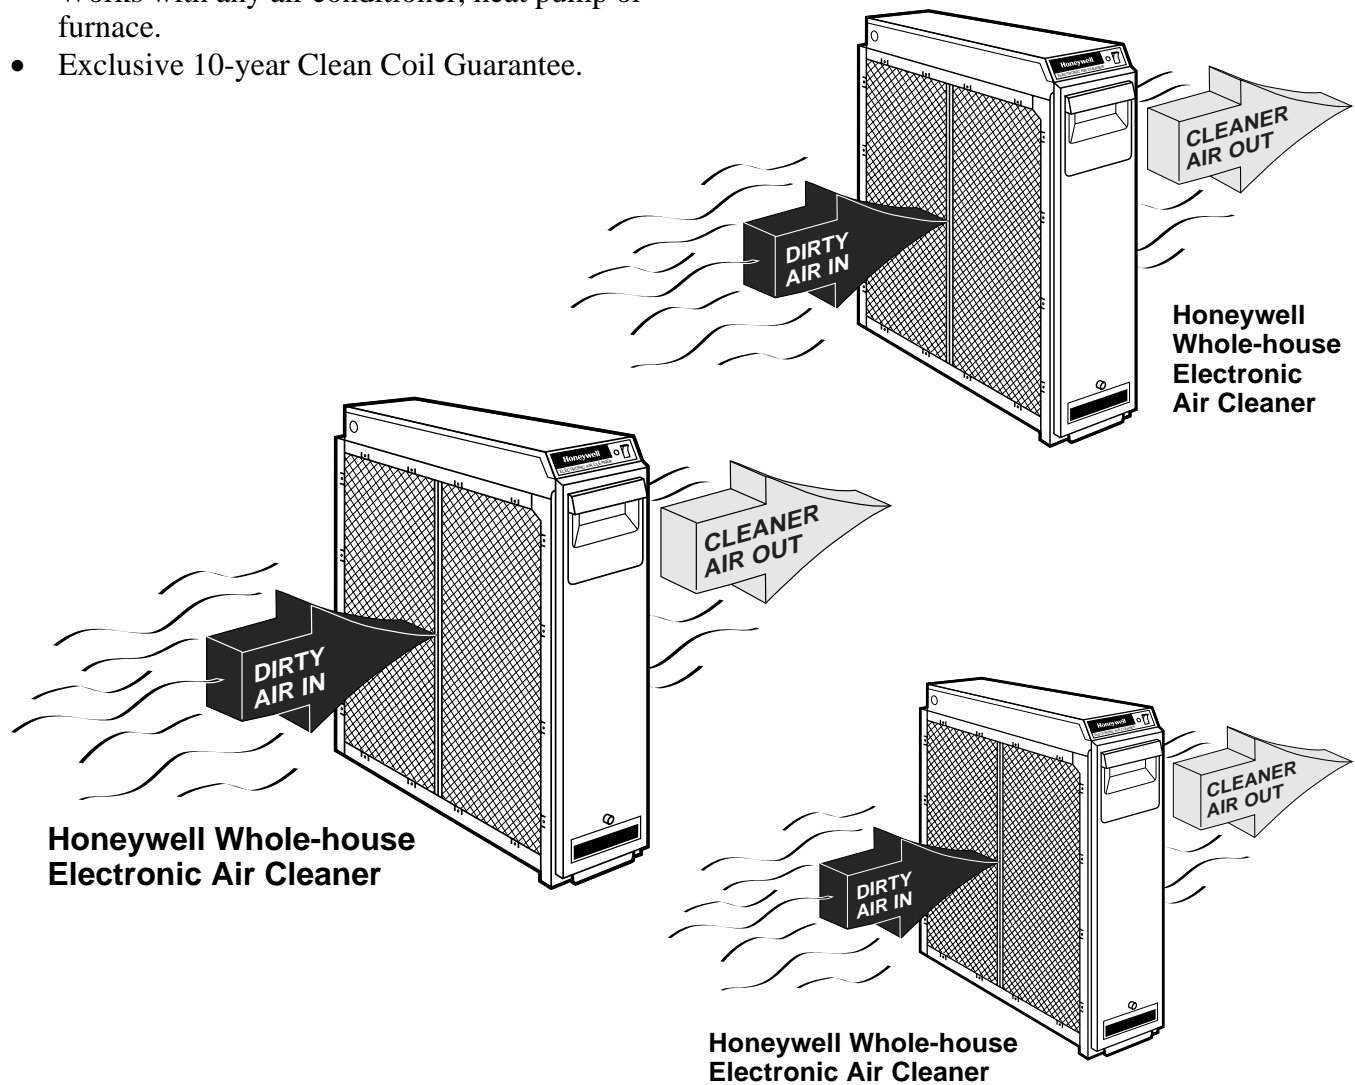

*Most efficient Honeywell whole-house indoor air cleaner you can buy*

- Captures over 94% of particles (0.5 microns or larger) that enter the unit.
- Helps capture grime before it can stain walls, furniture and draperies.
- Helps filter efficiency-robbing “gunk” before it coats critical system parts.
- A quick washing restores the lightweight electronic cells to full cleaning power.
- Works with any air conditioner, heat pump or furnace.
- Exclusive 10-year Clean Coil Guarantee.
